

BULWELL & DISTRICT SNOOKER LEAGUE NEWSLETTER

MAY 10

AGM

Welcome to another season. For those who couldn't attend the AGM, a brief summary of the outcomes is given below.

- It has not yet been decided what we are to do with the charity monies. If anyone knows of a worthy cause, not themselves, we will consider it.
- The league fees were raised to £30 to allow us to participate in sponsoring the singles and doubles plans that may happen next winter. It is planned that all members of participating teams will be entered in singles competitions and may also enter the doubles and the NHSL singles and doubles at no cost to the individual.
- This item is a late addition so could team captains let me know their opinions on it. It has been asked that if you have to postpone a match it should be played within 2 weeks of the original date or the match is awarded to the non-postponing team.
- It was unanimously agreed that teams which haven't paid their league fees within one month of the matches starting, will lose one point per week off their scores until the fees are paid.

Welcome to new team Nottingham City Transport (Carter Gate) which is located opposite the Trent FM Arena. The Carter gate comes from the original street that the bus depot was located on. There used to be NCT (Trent bridge), NCT (Bulwell) and NCT (Sherwood). Does anyone remember playing at any of these venues? I do and have played at all of them.

CHARITY SHIELD

The match between Nazareth House League and NNIA will be sometime in September at BCI. Date to be confirmed.

CONTACTING ME

- You can telephone me on **0779 9482293** - either voice or text.
- You can email me at rvwright@ntlworld.com
- You can also contact me by leaving a report on the web-forum at www.nottingham snooker.com
