

BULWELL & DISTRICT SNOOKER LEAGUE NEWSLETTER

MAY 09

AGM

Welcome to another season. For those who couldn't attend the AGM, a brief summary of the outcomes is given below.

- The charity monies that are part of the league fees will be donated this year to the Air Ambulance. This was proposed by Ruddington CC which is also running a charity event on 7 June for this worthy cause.
- The current league rules state that results should be sent to the league secretary within seven days; this has been amended to **within 48 hours**. In order for the results to be included in Saturday's Nottingham Evening Post and Ballsmania, I have to send the information by the end of Wednesday. It would be very helpful if you could have the results with me by 7.30pm on Wednesdays in order to give me time to write the report.
- It was unanimously agreed that teams which haven't paid their league fees within one month of the matches starting, will lose one point per week off their scores until the fees are paid.
- Throughout the league's matches last summer and the NNIA's winter matches, players' scores, where submitted, were collated and ranked. For each player, the weekly score was averaged out over the number of scores submitted and five

points added for each match won. The top scorer of the NNIA trophy was Toby Irons. The full ranking list is available on the website.

It was agreed that a similar trophy would be presented at the end of the summer season. If any of your players want to be included, you will need to ensure that their scores are submitted to me each week through the usual routes. Please note that a minimum of five scores is required before a player qualifies for ranking.

CHARITY SHIELD

The match between Nazareth House League and NNIA will be sometime in September at BCI. Date to be confirmed.
